

**A STATE BANK IN TROUBLE. COMEDIAN BARR STABBED.**

The People's, of Sea Isle City, N.J., Has Closed Its Doors.

**A Notice on Them Says Depositors Will Be Paid in Full.**

**SPECIAL TO THE EVENING WORLD.**  
SEA ISLE CITY, N.J., May 25.—The people's Bank of this city, has closed the doors and the following statement is posted on them: "The business interests of the bank have been destroyed to a loss. Every depositor will be paid in full. A general statement will be furnished in a few days."

The State Bank examiner will make an investigation; conservative creditors believe that all depositors will be paid, and that the suspension was only considered best, because of a lack of business.

It is said that the treasurer, L.S. Chester, had a large amount of the city's money on deposit, and as much of this cash will be needed immediately to cover imminent expenses, the suspension has placed him in a serious dilemma. A receiver will probably be asked for.

The People's Bank was a State bank, organized in 1888, with the following officers:

George W. Cogburn, President; Archibald Garvin, Vice-President; J.M. Cross, Cashier; Thos. E. Loudon, Assistant Cashier.

All of these officers have held their places up to the present, with the exception of Garvin, who resigned a week ago to become assistant cashier of the Union National Bank at Atlantic City. His departure caused many of the depositors to draw out their deposits. This, no doubt, hastened the action of the directors in closing.

State Bank Examiner Van Camp examined the accounts of the bank last April and found everything in good shape, so the bank officials say.

Mrs. Mary Aten, of Lewistown, Pa., suffered untold agony from a severe attack of appendicitis, and during her convalescence, on the recommendation of a physician she took

**Hood's Sarsaparilla**

and used Hood's Olive Oil Liniment. Soon the users began to hear the indomitable cession, the "Ho! Ho! Ho!" of the hooded men, "I enjoy health as I have not for many years."

We are personally acquainted with Mrs. Aten, and can assure you that she is truly well.

HOOD'S PILLS cure Habitual Constipation by restoring peristaltic action of the alimentary canal.
